Terminal/Transaction Activity

STRENGTH

- **Quick learner**

Read all project related documents and understand my seniors and client requirements and problems.

- **Ability to work under pressure and multitasking**

Supports multiple projects and my teammates to achieves our goals on time.

- **Time management**

Prioritizes essential tasks so they are not rushed. Sets deadlines that ensure reaching milestones on time.

- **Accountability**

I remember that changes is not personal and is inevitable. I break my projects into multiple parts so that if something goes wrong. I can quickly fix it.

- **Adaptability**

I take ownership of my mistakes. By doing that I learn what I did wrong so that it does not happens again.

Declaration

I hereby declare that the above mentioned particulars are true to the best of my knowledge.
